

**REMARKS**

Reconsideration is requested.

A copy of the Notice to Comply received with the Office Action of April 11, 2007 is attached.

The PTO PAIR IFW confirms that a Sequence Listing in paper and computer readable forms were received by the PTO on December 20, 2006. The Notice of April 11, 2007 does not provide any information as to what aspect of the previously-filed Sequence Listing may have been deficient. The PTO PAIR Transaction History includes the following entry "CRF Diskette Unreadable / Did Not Comply / Required but Not Submitted" on December 20, 2006.

Attached is a further paper and computer readable copy of the substance of the previously-filed Sequence Listing (the identifying subject matter has been revised to include the Serial No. of the present and prior applications). Entry of the attached Sequence Listing is requested. The attached paper and computer readable copies of the Sequence Listing are the same. No new matter has been added.

The Examiner is requested to contact the undersigned in the event anything further is required in response to the Notice of April 11, 2007.
